Instructions

Keep this workbook at the Secretary's desk. Immediately before or after the Lodge meeting when an activity committee makes its final report, a member of the Committee must enter the required figures in the appropriate page, category and columns with the assistance of the Secretary. Copies of the tear-out Data Collection Survey form, found in the back of this book, should be made and given to each committee for reporting its activities. The District Deputy will verify that this workbook has been kept up-to-date on the annual Lodge visitation.

GENERAL:

For each program observed by your Lodge, complete Columns (A) through (J) as accurately as possible for the *date on* which the event occurred; or if the program spanned several months, enter under the date the program closed. For those programs not specifically captioned, enter a brief description in the "CATEGORIES NOT COVERED" space and enter figures.

- Columns (E) and (F): If accurate hours are not available, estimate as precisely as possible. Remember, if the committee consists of six Elks who worked as a group for an elapsed time of 3 hours, the total ELK HRS. should be "18" (6 times 3). DO NOT ENTER fraction or decimal parts of an hour Round off to whole hours!
- Columns (G) and (H): Actual or estimated mileage traveled in the preparation for or during the event itself. As in the hours above, if four people traveled a distance, the figures entered should be the product of number of people times distance traveled BOTH WAYS ROUND TRIP! DO NOT ENTER fraction or decimal parts of a mile Round off to whole miles!
- Column (I): Cash value or equivalent of actual items (do not include hours or miles; include telephone charges or postage) used or given in a program. If in doubt about value of such items as used clothing or donated eyeglasses, contact other charitable organizations and ask what they or the IRS suggest as valuation guidelines. Door prizes, decks of playing cards for vets, etc. you don't realize at first how much of value is donated in most programs without being tallied; take your time and get everything down; make notes as you go along. DO NOT ENTER dollar signs, cent signs, decimal points or cents Round off to whole dollars and enter numbers ONLY!
- Column (J): Cash, check or money order given or donated; if a U.S. Savings Bond, use purchase value not value at maturity. DO NOT ENTER dollar signs, cent signs or decimal points or cents Round off to whole dollars and enter numbers ONLY!
 - Example: Lodge held a bicycle safety and identification event in its parking lot on June 15, 2020 for 217 children with 6 Elks and 4 non-Elk Helpers who spend 7-1/4 hours in planning and conducting the activity, making refreshments (value \$130.55 if purchased ready-to-eat), giving out a \$10 prize for the safest bicycle, with an Elk and a Helper driving 27-1/2 miles round-trip to obtain free bicycle safety booklets from the nearby Government office.

Enter information on page 2 as follows:

YOUTH ACTIVITIES (Includes Youth Week) — 1004

		HEAD	<u> </u>	INV				! —	CONTRIE (DOLLAR	S ONLY)	
DATE	PROGRAM (A)	COUNT OF PARTICIPANTS (B)	# ELKS (C)	# HELPERS (D)	ELKS HOURS (E)	HELPERS HOURS (F)	ELKS MILES (G)	HELPERS MILES (H)	NON-CASH (EST. VALUE) (I)	— CASH —	٠
6/15/2024	Bicycle Safety Program	217	6	4	44	29	28	28	131	10	0
											U
	ANNUAL TOTAL	217	6	4	44	29	28	28	131	10	4

In this example, if no other Youth Activities events were held during the year, these figures are carried down to the "ANNUAL TOTAL" line in the book and on the Grand Lodge Report (Page Two – Side One). If there are more programs for which there are insufficient spaces than the booklet provides, it may be necessary to insert an extra sheet in the book upon which figures should be entered in the same format as the regular pages. NOTE: Programs should be placed in the most applicable main category; however, if a program does not fit a specific category, it should be listed under "CATEGORIES NOT COVERED" – Section 9999. Lodges may choose to identify these miscellaneous programs internally by a computer-based identifier and total those for entry into the book and on the Annual Report at the end of the year. Likewise, if there are multiple entries for one month in the same category (having a single computer-entry number), the figures must be combined in the booklet. Exact figures should be used if available; otherwise estimate as accurately as possible. At the end of the Lodge year, the Secretary should total the columns for all categories and enter the totals in the Annual Report. Lodges are reminded that they are required to file the report to the Grand Secretary at https://www.elks.org/grandlodge/charity/default.cfm. The deadline is on or before May 1.

State Association Charitable Reporting Guidelines

The following is a guideline for all State Association Officers, Committee Members, District Officers and Association Members in general to help in uniformity of reporting. On or before May 1 of every year, the State Associations must fill out page two of the online Annual Report form listing all donations, hours, expenses and mileage, from Elks and non-Elks. The form can be found at https://www.elks.org/members/statesecys/StateCharityReport.cfm.

This list hopefully will assist in the reporting and enable all State Associations to report the same items nationwide. These suggested categories are not intended to be the only reported details as every State Association may have other entries to report as well. They will serve as a starting point and can be added to, according to need:

- 1. Total mileage to and from functions, meetings, Lodge visits and all other Elksinvolved visitations, of a chartitable nature.
- 2. Total hours spent traveling to meetings, functions, Lodge visits, etc. for charitable purposes.
- 3. Total hours spent planning for, working on and attending above-mentioned events.
- 4. All Elks-related long distance phone charges and postage for charitable purposes.
- 5. Major Project income and budget amounts not reported by individual Lodges.
- 6. All charitable donations at the District or State level.
- 7. All out-of-pocket monies or Association-supplied budget funds expended for charitable purposes.
- 8. Monies collected from charitable fundraisers.
- 9. Miscellaneous items as required.

The reporting of State Association charitable activities should be completed and submitted by all Association personnel at all levels (Officers, Committee Chairs and Members, District Chairs, District Deputies, and Association Members) who are involved in charitable work for the Association. Reports should be submitted on a monthly basis using the Government Relations Monthly Reporting Form which appear in the Appendix, Page 7 of the Government Relations Manual. An electronic version of the form can be secured from the State and District Government Relations Committee Chairs so that reports can be submitted quickly, easily and timely. The Monthly Report should be submitted to the Government Relations Committee Chair or perhaps a District Chair so they know who is reporting. The monthly reports will ultimately be transmitted to the State Secretary who will enter the data (number of people served and the hours, miles, dollars contributed by the Elks and Non-Elks) in performing or providing the charitable service or activity. These charitable statistics become the basis of the Association's Annual Charity Report that the State Secretary will file with Grand Lodge in April.

Charity is the greatest of all the virtues; and it should ever rule us in our hearts and in our lives, leading us to speak no unkind word, to harbor no evil thought, to bear no malice, to support no wrong; but to nurture, love and protect; to condone, forgive and forget.
